➤ B.Tech

Quota	Process of Admission
Chhattisgarh State Quota	Admission is carried out through Online Counseling being conducted by the Directorate of Technical Education (DTE), Govt. of Chhattisgarh. The Counseling is based on the Marks obtained in 10+2 and Score obtained in the Pre Engineering Test (PET) conducted by the State Govt. For Admission through CG State Quota and recent updates, Kindly visit the DTE website http://cgdteraipur.cgstate.gov.in . A student may also logon to College Admission Portal https://cecbilaspur.ac.in .
Other State Quota	The Admission is carried out through Online Counseling being conducted by the Directorate of Technical Education (DTE), Govt. of Chhattisgarh. The Counseling is based on the Marks obtained in 10+2 and Score obtained in the Joint Entrance Examination - Main (JEE Main) at National Level. For Admission through Outside State Quota (OCG) and recent updates, Kindly visit the DTE website http://cgdteraipur.cgstate.gov.in A student may also logon to College Admission Portal:- https://cecbilaspur.ac.in .
Management Quota	The Admission is carried out internally at the Institute / College Level. Students from Chhattisgarh State, as well as Outside State, are eligible for Admission based on the Marks obtained in 10+2 and Score obtained in Pre Engineering Test (PET) / Joint Entrance Examination - Main (JEE Main). For Admission through Management Quota, a student may logon to College Admission Portal:- https://cecbilaspur.ac.in .

➤ B.Tech (Lateral Entry)

Quota	Process of Admission
Chhattisgarh State Quota	The Admission is carried out through Online Counseling being conducted by the Directorate of Technical Education (DTE), Govt. of Chhattisgarh. The Counseling is based on the Score obtained in Theory subjects in Final year of Diploma Eng. / B.Sc. Documents Required:-

Documents and fees required for taking admission after allotment by Director, Technical Education, CG, Raipur for B.Tech/MBA/M.Tech candidates (Admitted under CG quota/OCG quota).

Please bring the following documents and fees as above with 3 sets of photo copies (Attested) along with original for Verification.

- Allotment Letter provided by Director, Technical Education, CG, Raipur
- DVC Letter printed by DTE
- Entrance Exam Score Card - 2023
- Photo Graph – 4 Nos (Pl write your name and branch on the back side of photograph)
- Class 10th Mark sheet
- Class 12th Mark sheet
- Graduation Mark sheet / Diploma Mark Sheet
- Domicile Certificate (Niwas Praman Patra)
- Transfer Certificate
- Character Certificate
- Migration Certificate (Except CG Board)
- Gap Certificate (if applicable)
- Caste Certificate – for SC/ST/OBC candidates (if applicable)
- Tuition fees to be paid in the form of Demand Draft/Multicity Cheque – Fees for various courses is mentioned as above
- Aadhar Card photo copy
- Bank Account Pass book photo copy

Tuition Fees Waiver Scheme

Under this scheme an additional 5% students will be admitted as per the guidelines of the CGPET 2023 Admission Policy framed by the State Government. This intake will be over and above the approved intake. However, TFW will be applicable only if the number of students admitted is exceeding the approved intake.

Reservation Policy in admission

The reservations for admission to the B.Tech/M.Tech/MBA program shall be as per the reservation related provisions prevailing in the State of Chhattisgarh, as per the law at the time of admission to these programs.

Scholarship

GATE scholarship is provided to the students who have qualified GATE Scorecard and as per the rules framed by AICTE, New Delhi.

Leave Rules

The Institute provides liberal leave benefits to its employees. However, leave cannot be claimed as a matter of right. In case of exigency in the institute leave of any kind may be refused, revoked, or curtailed by the authority empowered to grant it. All leaves must be applied, approved and rejected through ERP Software ACCSOFT.

1. Casual Leave (CL):

Every employee is eligible to avail 12 casual leaves in every year (specifically one CL allowed per month) in an academic session (from 1st Jan to 31st Dec). After successful completion of 1 year of service, if the reason(s) enumerated are so genuine, maximum 06 days Casual Leave shall be granted at a time to an employee.

2. On Duty Leave (OD):

The management can sanction On duty leave for participation in academic program viz., seminar, conference, workshop, examinations, FDP, STTP, refresher courses, etc. or cultural/sports events to academic personnel or any such works as entrusted and done by a non-academic employee at CSVTU, AICTE, DTE or any government office. On Duty leave can be availed by such personnels for any such assignment by the institute.

3. Medical Leave (ML):

A regular employee is eligible to avail 6 day's full pay leave on medical grounds per year, only after successful completion of one year of service. Medical Leave up to 03 days will be granted for every 6 months with medical certificate/ fitness certificate at the time of resumption of duty should also be submitted subsequently.

4. Maternity Leave:

A female employee is eligible for maternity leave for 4 - 6 months, twice in the service period.

Paternity Leave:

After the successful completion of 1 year, a male employee is eligible for a paternity leave of 10 days, twice in his service period.

5. Special Leave (SL):

An employee is allowed to avail compensatory off against his work assigned by the college on a holiday. An employee must avail C-Off within 3 months of the date of duty.

6. Study Leave:

For Pursuing Ph.D./Post Doctoral/Higher studies:

Those who are pursuing Ph. D. will be granted study leave in the total span of the Ph.D. course (to be availed in 3 years; maximum in 4 years after permission from management). This will include leave for theory/practical examinations, presentation, attending classes, etc.

CHHATTISGARH SWAMI VIVEKANAND TECHNICAL UNIVERSITY

BHILAI

Established under act No. 25 of 2004

Ordinance No. 12

(Under Section 38)

**Ordinance for degree in Master of Engineering/Technology (ME/M.Tech)
(w.e.f the year 2005-2006)**

- 1 This ordinance shall be applicable to candidates admitted after 1st July 2005.
- 2 The Post Graduate course in Engineering/Technology leading to the Degree of Masters of Engineering/*Technology* (ME/*M.Tech.*) of the university shall be divided into *four* semesters in the case of full time candidates and *six* semesters in the case of part time candidates. Each semester would be approximately of six months duration including vacation/preparatory leave/examination/industrial training etc.
- 3 Every applicant for admission to ME/*M.Tech.* First semester
 - 1) Shall have passed B.E./B. Tech. or equivalent examination in appropriate branch with at least 55% or equivalent marks/grades in the aggregate at final year examination. ***However, the difference of 0.5% or less between marks secured by a candidate and minimum percentage required shall be rounded off to 55%.**
 - 2) Applicants for full time course are required to possess a valid GATE score. GATE is not compulsory for part-time and sponsored full time/part-time candidates.
 - 3) The sponsored candidates must have at least two years experience in the relevant field after passing the qualifying examination.
 - 4) If there are vacant seats still available for admission to M.E. / M. Tech. Course (s) in the institute (s), they may be filled in from the direct candidates strictly on merit basis, who otherwise shall fulfill the minimum qualification criterion specified for admission to M.E. / M. Tech.
4. The candidate shall be permitted to appear at the semester examination provided he has successfully prosecuted a course of study in the UTD or in an affiliated college for that semester in the concerned course.
5. Candidates appearing as regular students for any semester examination shall be required to attend at least 75% of lectures delivered and of the practicals held, separately in each paper, provided that a short fall in attendance up to 10% and 5% can be condoned by the Director/Principal of the College and Vice Chancellor of Vishwavidyalaya respectively for satisfactory reasons.
6. There shall be two university examinations each year. The first around Dec./January and the second around May/June. The first Dec./Jan. examination shall be the main examination for first, third and fifth semesters and supplementary examination for second and fourth semesters. The May/June examination shall be the main examination for second and fourth semesters and supplementary examination for first, third and fifth semesters.
7. a) ***An examinee who fails to obtain minimum marks/grades in not more than two theory paper(s)/Practical(s)/Viva Voce at any of the semester examinations shall be declared to have**

obtained A.T.K.T. (allowed to keep term). Such candidates may be admitted provisionally to the class for next higher semester. In case he/she fails to clear the backlog in the A.T.K.T. examination (**in two attempts**) he/she shall be treated **as fail**.

- b) A candidate failing in more than **two theory paper** or practical/viva voce in any semester examination shall be treated to have failed.
- a) The failed candidate as per para-8 (a) and (b) above shall not be permitted to continue in the course.
- b) The candidate failing in the final (*fourth* in case of full time and *sixth* in case of part time) semester examination may seek re-admission in the semester. However he/she shall submit his/her dissertation after necessary improvement and/or modification or re-written dissertation on a different topic suggested by the Head of the Department in the college.

7.1 Minimum pass marks for each subjects in each semester shall be as under: -

- a. Each written Theory Paper – 40 % of the total marks allotted to that paper.
- b. Each Practical Examination - 50 % of the total marks allotted to practicals.
- c. Each Sessional/TA Examination – 60 % of the total marks allotted to sessional/TA.
- d. Class test – No restriction for minimum pass marks.
- e. Total aggregate marks – 50%.

7.2 Division shall be awarded in the Final semester examination based on integrated performance of the candidate for all the semester examinations in the following manner: -

- a) First Division with Distinction Honours – 75% and above
- b) First Division – 65% and above
- c) Second Division – Below 65%

Provided the candidate has secured the minimum pass marks as specified under clause 9.1 above.

7.3 The Kulpati shall award one grace marks to the candidate who is either failing or missing the division by one mark. However, it will not be added anywhere.

- a. The *Fourth* semester in the case of full time candidates and *sixth* semester in the case of part time candidates is the major project semester. During this semester the candidate shall devote himself for the research work in connection with any of the aspects of technology relevant to the course selected and assigned to him by the Head of the Department concerned in the college. At the end of the semester the candidate shall submit three typed or printed copies of the major project reports written by him, to the university through the Director/Principal of the college, accompanied by the certificate from the Head of the Department and the project supervisor to the effect that it embodies actual work carried out by the candidate and that the work has not been submitted earlier in part or full for the award of any other degree.

9. (i) A candidate on successfully completion of the first *three* semesters of full time course or the first *five* semesters of part time course shall be eligible for the award of a Post Graduate Diploma in Engineering (PGDipE) if he/she withdraws from course or fails to submit his/her project report within the maximum span of the course. Division shall be assigned in Post Graduate Diploma as per the scales laid down in para 9(2) above.

- (ii) A candidate who possesses a Post Graduate Diploma in Engineering of the university shall be eligible for admission to the *fourth* semester in case of full time and *six* semester in case of part time for the purpose of completing the course, leading to the Master's Degree in Engineering/Technology.

Provided that immediately after the declaration of the results of the final semester examinations and before conferment of the Degree of (ME/M.Tech.) the candidate shall surrendered to the university the Post graduate Diploma he possesses.

10. A candidate who has discontinued the course during any semester may, on the recommendation of the Director/Principal of the college be permitted to take re-admission to the course at the beginning of the semester concerned in a subsequent year except in case where he has obtained the post-graduate diploma as per para 11.
11. The maximum duration of the course shall be *four* years in the case of full time candidates and *six* years in the case of part time candidates.
12. In the notification declaring the results of the final semester examination for the Degree of M.E/M.Tech. , the names of the first five candidates in order of merit in each post graduate course shall be notified by the university separately for full time and part time courses.

13. ASSESSMENT AND GRADING

13.1 MODE OF ASSESSMENT AND EVALUATION

Continuous evaluation system will be followed with three components as Class Test (CT), Teacher's Assessment (TA) and End Semester Exam (ESE). To make TA more objective one, this will depend upon attendance, home assignments, take home exam, closed and open book tests, group assignments, viva-voce, quizzes etc. Similarly, there will be two or three class tests in a semester the results of which will be shown to the class students along with test answer books under intimation to the University. However, ESE will have to be conducted by the college/institute through affiliating university. Weightings of CT, TA and ESE will be as given in the scheme of examination.

13.2 GRADING SYSTEM

Absolute grading system will be followed. In every subject, theory or practical, a candidate will be awarded a letter grade based on one's combined performance of all the components, e.g., TA, CTs and ESE. These grades will be described by letters indicating a qualitative assessment of the candidate's performance through a number equivalent called "Grade Point" (GP) as given below. A course is completed successfully, or a credit is earned for a course when letter grade C or better is obtained in the course.

Letter Grade (LG) :	A+	A	B+	B	C+	C	F
Grade Point (GP) :	10	9	8	7	6	5	0

Grades will be awarded for every subject, theory and practical separately. This will be done as described below.

13.3 ABSOLUTE GRADING SYSTEM

The absolute grading system of the type explained below will be adopted for theory and practical subjects

Grades	THEORY	PRACTICAL
A+	$85 \leq \text{Marks} \leq 100\%$,	$90 \leq \text{Marks} \leq 100\%$,
A	$75 \leq \text{Marks} < 85\%$,	$82 \leq \text{Marks} < 90\%$,
B+	$65 \leq \text{Marks} < 75\%$,	$74 \leq \text{Marks} < 82\%$,
B	$55 \leq \text{Marks} < 65\%$,	$66 \leq \text{Marks} < 74\%$,
C+	$45 \leq \text{Marks} < 55\%$,	$58 \leq \text{Marks} < 66\%$,
C	$40 \leq \text{Marks} < 45\%$,	$50 \leq \text{Marks} < 58\%$,
F	$0 \leq \text{Marks} < 40\%$,	$0 \leq \text{Marks} < 50\%$,

Thus letter grades A+, A, B+, B, C+, C, and F and the corresponding Grade Point will be available for each subject evaluated by the examiner.

13.4 CONSTRAINTS OF MINIMUM QUALIFYING MARKS

To be eligible to secure a letter grade A+ to C a candidate must

- be eligible to appear in a ESE, a candidate must score minimum 60% marks in TA in each theory and/or practical separately failing which he/she will be debarred from appearing in that semester exam.
- No minimum score requirement of marks in CTs.
- Minimum score 40% marks in each theory paper,
- Minimum score 50% marks in each practical exam,
- Minimum score 50% of total aggregate marks failing which, but otherwise satisfying minimum score requirements of TA, theory paper and practical exam, he/she shall be kept in compartment in not more than one theory paper of his choice.

13.5 SEMESTER PERFORMANCE INDEX (SPI)

Performance of a student in i-th semester is expressed by SPI which is a weighted average of course grade points obtained by a student in the semester and is expressed by

$$\text{SPI}_i = \frac{[C_1 G_1 + C_2 G_2 + \dots] i}{[C_1 + C_2 + \dots] i} = \frac{[\sum CG] i}{[\sum C] i} = \frac{N_i}{D_i}$$

where C and G stand for Credit and Grade, respectively. SPIs will be calculated up to two places of decimal without rounding off. SPI will be calculated only when a student clears a semester without F in any subject, theory or practical.

13.6 CUMULATIVE PERFORMANCE INDEX (CPI)

This is a weighted average of course grade points obtained by a student for all courses taken since his admission to the degree program with 100% weightage. Thus, CPI in i-th will be calculated as

$$\text{CPI}_i = \frac{\sum_{i=1}^{i \geq 1} N_i}{\sum_{i=1}^{i \geq 1} D_i}$$

If a student repeats a course or is declared fail in a subject, then only the grade points obtained in the latest attempts are counted towards CPI. CPI will be calculated in every semester with SPI, so that a student knows how his CPI is changing.

14. *REVALUATION

A regular candidate may apply to the Registrar for revaluation of his/her answer books in the prescribed form within 10 days from the declaration of the result of the regular examination. The revaluation of the answer book will not be applicable for back log papers.

Provided that no candidate shall be allowed to avail the facility of revaluation in more than two papers.

Provided also that no revaluation shall be allowed in case of scripts of practicals, field work, sessional work tests and thesis submitted in lieu of paper at the examination.

*** Approval accorded on 20.04.11 by Chancellor's office**

**CHHATTISHGARH SWAMI VIVEKANAND TECHNICAL UNIVERSITY,
BHILAI**

Established under Act No. 25 of 2004

Ordinance No. 14

Under Section 38 (2 and 3)

Ordinance for B.E. 4 year Degree course

1.0 The first degree in Engineering of four-year (eight semester) course, hereinafter called 4-Year Degree Course, shall be designated as BACHELOR OF ENGINEERING, in respective Branch.

1.1 This degree of B.E. shall include the branches of Engineering prevalent in the university or affiliated colleges.

1.2 The studies and examinations of these B.E. courses shall be on the basis of percentage as well as credit system.

2.0 ADMISSIONS

2.1 The minimum qualification for admission to the first year B.E. shall be the passing of Higher Secondary School Certificate Examination (10+2) scheme with Physics, Chemistry and Mathematics conducted by C.G. Board of Secondary Education or an equivalent examination from a recognized Board/University.

2.2 Candidates who have passed the Diploma course in related branch of engineering from a recognized Board of Technical Education/University shall also be eligible for admission to first semester of B.E. course, provided they are domicile of Chhattisgarh.

2.3 Candidates who have passed the Diploma Examination in the first division from a recognized Board of Technical Education/University in appropriate branch of engineering shall be eligible for admission to the Third semester (second year of 4-YDC), provided that they are domicile of Chhattisgarh. However, the candidate will be required to pass the subject of Physics, Chemistry and Maths of B.E. I year before admission to VI Semester.

2.4 Non-Resident Indian (NRI) candidates shall also be eligible for admission to B.E. as according to the directives of the Government of Chhattisgarh, provided they satisfy the criterion of clause 2.1 above.

2.5 The eligible candidates as specified in clause 2.1 and 2.2 above should secure a place in the merit list of CG-PET/AIEEE, Raipur for admissions to B.E. In

general, the admissions to B.E. course shall be governed by the rules by Directorate of Technical Education or any other competent authority of the State Government of Chhattisgarh.

3.0 EXAMINATIONS

3.1 *There will be one University Examination at the end of each semester. These examinations will be designated as follows.*

(a) *During First Year*

- *First Semester B.E., Exam, Second Semester B.E., Exam*

(b) *During Second Year*

- *Third semester B.E. Exam, Fourth semester B.E. Exam*

(c) *During Third Year*

- *Fifth semester B.E. Exam, Sixth semester B.E. Exam*

(d) *During fourth Year*

- *Seventh semester B.E. Exam, Eighth semester B.E. Exam*

3.2 *The semester examination will generally be held in Nov-Dec. and April- May in each year.*

3.3 *There will be a full examination at the end of each semester consisting of theory papers and the laboratory practicals of all semesters. The duration of examination period normally should not exceed 20 working days."*

3.4 *A candidate who has been admitted in the Engineering course will be promoted to the higher class in accordance with the following sub rules:-*

3.4.1(a) *Candidate who has taken admission in A-B Group and has appeared in the examination of odd semester of a particular year will automatically be promoted to even semester of that year irrespective of failing in any number of theory or practical of previous semester.*

3.4.1(b) *A candidate who has taken admission in even semester under B-A Group and has appeared in the examination of even semester will automatically be promoted to next applicable odd semester irrespective of failing any numbers of theory or practical of previous semester.*

Note: *The candidate who seeks admission in odd semester of an academic year is said to be in A-B group while a candidate who seeks admission in even semester of an academic year is said to be in B-A group. i.e. a Candidate of A-B Group will take admission in July where as candidate of B-A Group will take admission in January in the relevant academic year.*

3.4.1 (c) *A candidate getting detained due to shortage of attendance or failing in sessional in a particular semester will have to repeat the same semester which shall commence after about a year as a regular candidate. However*

he/she can take admission in the next higher semester. Thereafter, the candidate will be subjected to change of group i.e. from A-B to B-A or vice-versa as mentioned in para 3.4.1(a) & (b).

3.4.2 A candidate offering seventh semester after eighth (B-A group) will not be issued any mark sheet or Provisional certificate after eighth semester until he/she has passed all the semesters.

3.5 ****A candidate shall not be admitted in the fifth and higher semester examinations. If the No. of backlog papers are more than as given in the table below:**

Semesters	Permissible backlog and semester wise division of backlog papers			
	1 st sem	2 nd sem	3 rd sem	4 th sem
5 th semester	3	NA	NA	NA
6 th semester	3	3	NA	NA
7 th semester	3	3	3	NA
8 th semester	3	3	3	3

3.6 ****A candidate directly admitted in third semester through lateral entry after passing diploma shall not be admitted in fifth and higher semester examination. If No. of total backlog papers are more than as given in the table below:**

Semesters	1 st sem	2 nd sem	3 rd sem	4 th sem
5 th semester	(The subjects of of B.E. 1 st year as mentioned in 2.3)			
6 th semester		04	NA	NA
7 th semester		02	3	NA
8 th semester		02	3	3

3.7 If a candidate is failing in any one or more TA (Teacher's Assessment), he/she will not be eligible to appear in ESE (End Semester Exam) thus will have to repeat the semester, and will be perusing BA system instead of AB system or vice-versa.

4.0 PASSING EXAMINATIONS

4.1 BASIS OF MARKS

4.1.1 The performance of a candidate in each semester shall be evaluated subject-wise, with a maximum of 80 marks for Theory, 40 marks for Practical subjects and 20 marks for the teacher's assignment.

4.1.2 *There shall be Class test (CT) and End Semester Examination (ESE) and Teacher's Assessment (TA) for each Theory paper and ESE and TA for each practical with the following distribution and passing standards.*

Name of Examination	Minimum Passing Marks
{ Class Test (CT) Theory (College level)	NIL
{ End Semester Exam (ESE) Theory (University level)	35%
{ Practical (University level)	50%
{ Teacher's Assessment (TA) of Theory & Practical	60% each
Total of ESE, CT & TA in Theory	35%
Practical	50%

4.1.3 For the evaluation of End Semester Exam in Practicals, one external examiner shall always be there from outside the College/Institution and one internal examiner from the College/Institution.

4.1.4 There will be at least two class tests in each theory subject in a semester. Teacher's assessment in each theory and/or practical will be based upon home assignments, quizzes, take home tests, viva-voce, attendance, group discussion, tutorials etc.

4.2 BASIS OF CREDITS

4.2.1 One period of contact in lecture (L) and two periods of contact in tutorial (T) or practical (P) will be equal to one credit. Thus, $\text{Credit} = \{ L + (T+P)/2 \}$. Credit in a subject will be a full, not in a fractional number. If a credit in a subject turns out in fraction than it will be taken as next full number.

4.2.2 A candidate shall earn all the credits allotted to a semester only when he/she passes the said semester.

5.0 DURATION OF A SEMESTER

5.1 There shall be normally fourteen weeks of teaching in every semester.

5.2 A candidate may provisionally continue his/her studies in higher semester class after the examinations of the semester he/she appeared is over. However, his/her eligibility shall be evaluated only after the results of semesters as per clause 3.5 are declared at which he/she had appeared.

6.0 MERIT LISTS

- 6.1 Merit list of top 10 candidates in the order of merit shall be declared at the end of each semester in each branch from amongst the candidates who have passed in first attempt.
- 6.2 Branchwise final merit list shall be declared by the University only after the main examination of the eighth and final semester for B.E. degree, on the basis of the integrated performance of all the four years. The merit list shall include the first ten candidates securing at least First Division and passing all semesters in single attempts.

7.0 ATTENDANCE

- 7.1 Candidates appearing as regular students for any semester examination are required to attend 85 percent of the lectures delivered and of the practical classes held separately in each subject of the course of study, provided that a short fall in attendance upto 10% and a further 5% can be condoned by the principal of the college and Vice-Chancellor of the University respectively for satisfactory reasons.
- 7.2 *****A candidate who fails to secure the attendance below 70% (including the concession contained in clause 7.1 above) shall be liable to be detained by a general or a special order of the Vice Chancellor or the Principal as the case may be, from taking semester examination and will be required to take re-admission in same semester whenever the semester classes commence.**

- 8.0 If a candidate has passed a semester examination in full he/she shall NOT be permitted to reappear in that examination for improvement in division/marks or any other purpose.

9.0 ASSESSMENT AND GRADING

9.1 MODE OF ASSESSMENT AND EVALUATION

Continuous evaluation system will be followed with three components as Class Test (CT), Teacher's Assessment (TA) and End Semester Exam (ESE). To make TA more objective one, this will depend upon attendance, home assignments, take home exam, closed and open book tests, group assignments, viva-voce, quizzes etc. Similarly, there will be two or three class tests in a semester the results of which will be shown to the class students along with test answer books under intimation to the University. However, ESE will have to be conducted by the college/institute through affiliating university. Weightings of CT, TA and ESE will be as given in the scheme of examination.

9.2 GRADING SYSTEM

Percentage as well as absolute grading system will be followed. In every subject, theory or practical, a candidate will be awarded a letter grade based on one's combined performance of all the components, e.g., TA, CTs and ESE. These grades will be

described by letters indicating a qualitative assessment of the candidate's performance through a number equivalent called "Grade Point" (GP) as given below. A course is completed successfully, or a credit is earned for a course when letter grade C or better is obtained in the course.

Letter Grade (LG) :	A+	A	B+	B	C+	C	F
Grade Point (GP) :	10	9	8	7	6	5	0

Grades will be awarded for every subject, theory and practical separately. This will be done as described below.

9.3. ABSOLUTE GRADING SYSTEM

The absolute grading system of the type explained below will be adopted for theory and practical subjects

Grades	THEORY	PRACTICAL
A+	$85 \leq \text{Marks} \leq 100\%$,	$90 \leq \text{Marks} \leq 100\%$,
A	$75 \leq \text{Marks} < 85\%$,	$82 \leq \text{Marks} < 90\%$,
B+	$65 \leq \text{Marks} < 75\%$,	$74 \leq \text{Marks} < 82\%$,
B	$55 \leq \text{Marks} < 65\%$,	$66 \leq \text{Marks} < 74\%$,
C+	$45 \leq \text{Marks} < 55\%$,	$58 \leq \text{Marks} < 66\%$,
C	$35 \leq \text{Marks} < 45\%$,	$50 \leq \text{Marks} < 58\%$,
F	$0 \leq \text{Marks} < 35\%$,	$0 \leq \text{Marks} < 50\%$,

Thus letter grades A+, A, B+, B, C+, C, and F and the corresponding Grade Point will be available for each subject evaluated by the examiner.

9.4 FAIL GRADE "F"

Additionally, further categorizations of F will be

FF : Failing in any theory/practical subject.

FI : Incomplete grade failing to appear in ESE due to illness or so but otherwise satisfactory performance, thus eligible for re-exam in that subject.

FS : Failing in sessionals, i.e. in TA, so repeat the semester.

FX : Failing due to short of attendance so repeat the semester.

WW : Result withheld due to various reasons.

FA : Failing due to aggregate marks being less than 50% of total marks, so eligible to appear in one or two subjects (theory only) of one's choice.

9.5 CONSTRAINTS OF MINIMUM QUALIFYING MARKS

To be eligible to secure a letter grade A+ to C a candidate must

- be eligible to appear in a ESE, a candidate must score minimum 60% marks in TA in each theory and/or practical separately failing which he/she will have to repeat the semester.
- No minimum score requirement of marks in CTs.
- Minimum score 35% marks in each theory paper,

- Minimum score 50% marks in each practical exam,
- Minimum score 50% of total aggregate marks.

9.6 SEMESTER PERFORMANCE INDEX (SPI)

Performance of a student in i-th semester is expressed by SPI which is a weighted average of course grade points obtained by a student in the semester and is expressed by

$$SPI_i = \frac{[C_1 G_1 + C_2 G_2 + \dots] i}{[C_1 + C_2 + \dots] i} = \frac{[\sum CG] i}{[\sum C] i} = \frac{N_i}{D_i}$$

where C and G stand for Credit and Grade, respectively. SPIs will be calculated up to two places of decimal without rounding off. SPI will be calculated only when a student clears a semester without F in any subject, theory or practical.

9.7 CUMULATIVE PERFORMANCE INDEX (CPI)

This is a weighted average of course grade points obtained by a student for all courses taken since his admission to the degree program with 50% weightage of I and II semester marks and 100% for remaining semesters. Thus, CPI in i-th semester with “i” greater than 2 will be calculated as

$$CPI_i = \frac{0.5 (N_1 + N_2) + \sum_{i=3}^{i \geq 3} N_i}{0.5 (D_1 + D_2) + \sum_{i=3}^{i > 3} D_i}$$

If a student repeats a course or is declared fail in a subject, then only the grade points obtained in the latest attempts are counted towards CPI. CPI will be calculated in every semester with SPI, so that a student knows how his CPI is changing.

9.8. AWARD OF CLASS OR DIVISION

9.8.1 The class/division awarded to a student with B.E./B. Tech. Degree is decided by the student’s Percentage of Marks as per the following table

- Distinction or Honours : 75% ≤ Mraks ≤ 100%
- Class I : 65% ≤ Mraks < 75%
- Class II : 50% ≤ Mraks < 65%

- 9.8.2 Division shall be awarded only after the eighth and final semester examination, based on integrated performance of the candidate for all the four years.
- 9.8.3 No candidate shall be declared to have passed the final B.E. unless he/she has fully passed all the previous examinations of the eight semesters. The results of the eighth and final semester of those candidates who have not passed examination of any previous semester will be withheld. They, however, will be informed about the deficiency. He/she shall be deemed to have passed the final B.E. examination in the year in which he/she passes all the examinations of all eight semesters.

9.9 TRANSCRIPT

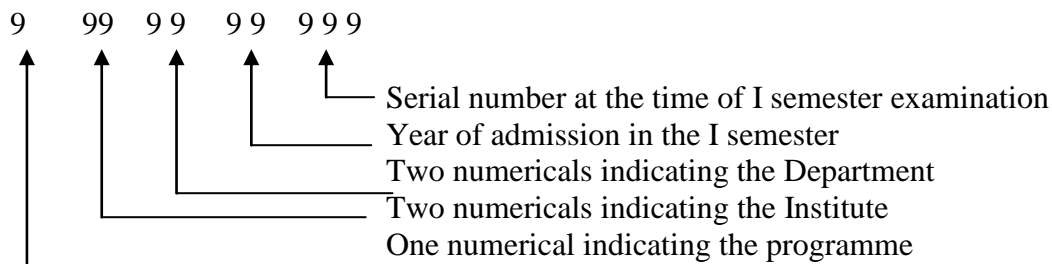

The transcript issued to a student after completion of the course will contain consolidated record of all the courses taken by the student, grades obtained and the final CPI with class or division obtained.

10 ELIGIBILITY OF ADMISSION IN A SEMESTER

A candidate shall be eligible for admission to V, VI, VII and VIII semesters, provided he/she has passed I, II, III and IV semesters, respectively.

- 10.1 **CARRY OVER:** A candidate shall be allowed to carry over all the subjects, i.e. theory and practical of a semester in the higher semester as per section 10 above. He/She shall be required to clear the next ESE only in those subjects (theory/practical) in which he was awarded WW or FI or FF grades.

- 10.2 **ROLL NO.:** Every student will be allotted a unique roll number in the following format till he completes the degree program.

11.0 RULES FOR CONDONATION OF DEFICIENCY IN MARKS

With a view to moderate hard line cases in the examination, the following rules shall be observed:

- 11.1 * **Deficiency up to 5 marks be condoned to the best advantage of the candidate for passing the examination, provided the candidate fails in maximum of two theory, or one theory and one practical or two practicals.**

This facility shall be available only to those candidates who clear that particular semester examination in full (i.e. in all theory, practicals and sessionals) by availing 5 Grace Marks.

- 11.2 While declaring result of the candidate, no marks shall be added to or subtracted from the aggregate for the deficiency condoned as above. However, he/she will pass the courses (subjects) cleared through clause 11.1 After condoning the deficiency, the candidate's result shall be declared in the division, for which the aggregate obtained by him/her entitles.
- 11.3 One grace mark will be awarded to the candidate who is failing/missing distinction/missing first division by one mark, on behalf of the Vice-chancellor in the DEGREE examination. This benefit will not, however, be available to a candidate getting advantage under clause 11.1.

12.0 RETOTALING OF MARKS AND REVALUATION

12.1 RETOTALING:

- 12.1.1 Any candidate, who has appeared in an examination conducted by the University, may apply to the Controller of Examination for retotaling of the marks for any one or two theory subjects.
- 12.1.2 Such applications must be made on the prescribed forms along with the requisite fee within 15 days from the date of declaration of result to the respective Principals of the Institution in which the candidate is studying.
- 12.1.3 The work of retotaling i.e. re-totaling does not include re-examination of the answer books. It is done with a view to see whether there has been any mistake in totaling of the marks assigned to individual answers or in the form of omitting the marks assigned to any answer.

12.2 *REVALUATION

12.2.1 A regular candidate may apply to the Registrar for revaluation of his/her answer books in the prescribed form within 10 days from the declaration of the result of the regular examination. The revaluation of the answer book will not be applicable for back log papers.

Provided that no candidate shall be allowed to avail the facility of revaluation in more than two papers.

Provided also that no revaluation shall be allowed in case of scripts of practicals, field work, sessional work tests and thesis submitted in lieu of paper at the examination.

- 12.2.2 If, on revaluation a mistake in the result originally published is detected, necessary correction shall be notified by the University. In all other cases,

the result shall be communicated to the candidate, as soon as possible through the respective institute.

- 12.3 No retotaling or revaluation shall be allowed in case of practicals, teacher's assessment and class tests by the University.

2	END SEMESTER EXAM (ESE) THEORY	40%
3	END SEMESTER EXAM (ESE) PRACTICAL	50%
4	TEACHER ASSESSMENT (TA)THEORY	40%
5	TEACHER ASSESSMENT (TA) PRACTICAL	40%

6	(CT + ESE + TA) THEORY	40%
7	(CT + ESE + TA) PRACTICAL	40%
8	AGGREGATE	50%

9. Grading System

Absolute grading system will be followed. In every subject – theory or practical, a candidate will be awarded a letter grade based on one’s combined performance of all the components such as TA, CTs and ESE. These grades will be described by the letters indicating a qualitative assessment of the candidate’s performance through a number equivalent called “Grade point” (GP) as given below.:

Letter Grade (LG) :	A+	A	B+	B	C+	C	F
Grade Point (GP) :	10	9	8	7	6	5	0

Grades will be awarded for every subjects- theory and practical ,viva separately. This will be done as described below:

A. Absolute Grading system

The absolute grading system for the subject – theory and practical are as follows:

THEORY	PRACTICAL
A ⁺ 90 ≤ M ≤ 100	A ⁺ 90 ≤ M ≤ 100
A 80 ≤ M < 90	A 82 ≤ M < 90
B ⁺ 70 ≤ M < 80	B ⁺ 74 ≤ M < 82
B 60 ≤ M < 70	B 66 ≤ M < 74
C ⁺ 50 ≤ M < 60	C ⁺ 58 ≤ M < 66
C 40 ≤ M < 50	C 40 ≤ M < 58
F 0 ≤ M < 40	F 0 ≤ M < 40

B. SEMESTER PERFORMANCE INDEX (SPI)

Performance of a student in ith semester is expressed by SPI which is weighted average of subject grade points obtained by a student in the semester and is expressed by

$$SPI_i = \frac{[C_1G_1 + C_2G_2 + \dots]_i}{[C_1 + C_2 + \dots]_i} = \frac{[\sum CG]_i}{[\sum C]_i} = \frac{N_i}{D_i}$$

where C and G stand for credit and grade respectively. SPI_i will be calculated up to two places of decimal without round off. SPI will be calculated only when a student clears a semester with out F in any subject – theory or practical.

C. CUMULATIVE PERFORMANCE INDEX (CPI)

This is a weighted average of course grade points obtained by a students for all courses taken since his admission in the MBA program.

$$CP_i = \frac{\sum_{i=1}^n N_i}{\sum_{i=1}^n D_i}$$

If a student repeats a course or is declared fail in a subject then only the grade points obtained in the last attempts are counted towards CPI. CPI will be calculated in every semester with SPI, so that a student knows how his CPI is changing.

Division shall be awarded on the basis of aggregate marks obtained in the semester.

First division with Distinction or Honours - 75 % and above

First Division - 60% and Above.

Second Division - Below 60% provided the candidate has secured the minimum pass marks of 50% in aggregate as specified under clause 8. above.

- 10. A student will be eligible for the award of the M.B.A. degree ONLY IF he/she fulfils the following conditions:**
