

Action Taken Report on Students Feedback 2023-24

To,
The Principal
Chouksey Engineering College
Bilaspur

Date: 25th April 2023

Subject: Recommendations for Curriculum Enhancement and Specialization Courses

Respected Sir,

It is noted that the Feedback Committee has carefully reviewed the insightful feedback regarding the Chouksey Engineering College's curriculum and atmosphere that was received from a variety of sources, including staff, students, and business leaders. The feedback also included recommendations from the relevant HoDs. After carefully considering their feedbacks, we are delighted to share our recommendations for extra actions we should take to ensure the employability of our graduates and improve the educational experience.

Following the students' feedback, which was submitted to the feedback committee, Chouksey Engineering College has taken decisive steps to address their requests. The college has organized an industrial visit to a prominent local firm, allowing students to gain firsthand experience and insights into their field of study. Additionally, a series of workshops have been scheduled to enhance practical skills and knowledge, with experts from various industries leading these sessions.

Furthermore, the college has arranged an alumni interaction session where former students will share their experiences and offer guidance to current students. This initiative aims to bridge the gap between academic learning and real-world application, providing valuable networking opportunities and professional advice. These actions reflect the college's commitment to responding to student feedback and enhancing their educational experience.

Keeping, these recommendations of the students in mind, we conducted the following activities:

S.No	Name of the activity	Date
1	3 days workshop on "Application of micro controller in advanced robotics"	14 th Dec to 16 th Dec 2023
2	Motivational Talk on "Career and Success"	22 nd Dec 2023
3	Industrial Visit at Bango Dam, Korba	12 th March 2024
4	Industrial Visit at Nable Invent Solution Pvt. Ltd.	10 th April 2024
5	Alumni Talk with MrRohitDeshmukh	18 th April 2024
6	Industrial Visit at Bilaspur Transformers Pvt Ltd	4 th Nov 2023
7	Industrial Visit at Integrated Command and Control Center (ICCC)	31 st Oct 2023
8	Workshop on "Modern Wireless Communication"	11 th Oct 2023
9	Workshop on "Basics of Electrical Engineering"	11 th Oct 2023
10	Workshop on "Basic Properties of materials"	10 th Oct 2023
11	Workshop on "Demonstration of Building Materials and Construction Techniques"	12 th Oct 2023
