MEMORANDUM OF UNDERSTANDING (MOU) UNDER IIIC

BETWEEN

Chouksey Engineering College, Lal Khadan, Masturi Road, NH-4-9, Bilaspur 495004 [C.G.] LAL KHADAN, BILASPUR, imparting and offering educational courses, having its headquarter in Bhopal and being represented by the Director — Dr. Palak Jaiswal.

AND

Sysorex IT Solutions L.L.C. Post Box No. 51081, Hamdan, Abu Dhabi, UAE, License No. CN - 2912938, ADCCI No. 2612901 Contact :: 971503354435, Mail@marstyping@yahoo.com website: www.ded.abudhabi.ae by the India Representative General Manager, Sysorex Innovator Edge --- Mr. Vijayan K.

OBJECTIVE:

To establish a mutually beneficial relationship built on academic, development and training of students under Industry Institute Interaction Cell in areas of cooperation between the Chouksey Engineering College (hereafter referred to as CEC) and Sysorex IT Solutions L.L.C [hereafter referred to as SIS].

The Chouksey Engineering College, Bilaspur and Sysorex IT Solutions L.L.C., enter into a general agreement of mutually beneficial co-operation for Industry Institution Interaction Cell. The aim of the co-operation is to maintain permanent contacts between industry, academic teachers and students, undertake joint actions, promote and exchange achievements and co-operate in the areas of Teaching, Science, Research, Certification, Internships/Apprenticeship, Training, Guest Lectures, Seminars and Higher Education for students under Industry Institution Interaction Cell.

§ 1

The scope of co-operation between the Parties shall include in particular:

1. Co-operation in improvement of academic teachers, development of contacts between research staff, including teacher mobility & industry delegate.
2. Co-operation in the updating of students with industry demands.
3. Exchange of experience and information concerning the structure and content of the Curricula and organization for the teaching processes.
4. Joint organization and carrying out of research and exchange of the results of research
5. Exchange of materials, books, periodicals and scientific literature.
6. Exchange of experience in administration and management.
7. Mutual assistance and support for the actions undertaken by both institutions to participate in teaching and research programs.
8. Exchange of internships / Guest Lectures, Social and cultural exchange of students.
9. Mutual assistance and support for National and international level conferences and workshops.
10. It's a Voluntary participation. This is honorary MoU to promote the good institute-industry interaction activity by both with no post of profit or loss.

§ 2

The co-operation in the areas specified in paragraph 1 of the agreement shall include in particular:

1. Academic exchange, including series of guest lectures, training, as well as research and education fellowships.
2. Organization of seminars, conferences, scientific workshops and training.
3. Joint research.
4. Joint scientific and educational publications.
5. Exchange of information concerning opportunities for co-operation.
6. Participation in bilateral and multilateral scientific and educational programs.

Jaiswal

PRINCIPAL
CHOUKSEY ENGINEERING COLLEGE
LAL KHADAN, BILASPUR (C.G.)

Vijayan K

§3

The co-operation is based on the principles of equal treatment and mutual benefit of both CEC and SIS, with their involvement - respective to their capabilities.

§4

The co-operation is based on the principles of equal treatment and mutual benefit of both CEC and SIS. By this MOU both the parties will be able to use each other's Mono/Logo, where ever needed for their promotional. And if both want to use any specified Mono/Logo as authorized by any other 3rd party a separate written authorization will be needed to each other.

§5

No financial condition is liable in this MOU. Both the institutions have no involvement of any kind of financial terms and conditions for this MOU.

The financial conditions of the co-operation shall be agreed separately every time for any specific form of co-operation, taking into consideration the financial capabilities of both CEC and SIS.

§6

In order to fulfill the provisions of the Agreement, an annex - subject to approval by the rectors of Both institutes, shall be attached to it containing details of the scope and form of the planned co-operation.

§7

1. The Agreement has been made for unspecified time.
2. Each Party has the right to terminate the Agreement with a one month notice period.

§8

1. Any changes in the Agreement shall be null and void unless made in writing.
2. Any dispute arising from this agreement does not confer on any party the right to enforce it in Court of law but to resolve it through a conciliator appointed and accepted by both parties.
3. Both the parties will maintain each other's standard levels, and not involve each other in any kind of frauds, Criminal and bellow Social standard works which manipulates name of other institution.

§9

The agreement was made in English, in two identical copies in language, one for each Party.

As signed and agree upon by: I certify that I have read, understood and have received a copy of this Memorandum of Understanding.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

Clause 1

CO-OPERATION

- 1.1 Both parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations. The parties shall keep each other informed of potential opportunities and share all information that may be relevant to secure additional opportunities for one another.
- 1.2 The co-operation between CEC and MCC will facilitate effective utilization of the intellectual capabilities of the MCC providing significant inputs to them in developing suitable teaching/ training systems, keeping in mind the needs of the CEC.

Clause 2

SCOPE OF THE MOU

- 2.1 Both parties believe that close co-operation between the two would be a major benefit to the student community to enhance their skills and knowledge.
- 2.2 The Second Party will give valuable inputs to the First Party in teaching/ training methodology so that the students fit into the industrial scenario meaningfully.
- 2.3 The interaction between Industry and CEC will give an insight into the latest developments /requirements of the industries; the MCC to permit the Faculty and Students of the CEC to visit its group companies and also involve in Industrial Training Programs for the CEC. The industrial training and exposure provided to students through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The MCC will provide its Labs/ Workshops/ Industrial Sites for the hands-on training of the learners enrolled with the First Party.

**MEMORANDUM OF UNDERSTANDING
BETWEEN
CHOUKSEY ENGINEERING COLLEGE
AND
JAYANT INFRATECH PVT LTD**

This Memorandum of Understanding ("MOU") is between the Chouksey Engineering College ("CEC") and Jayant infratech pvt ltd ("JIF").

The purpose of this MOU is to develop a mutually beneficial partnership between the CEC and the JIF as regards internships, On job Training, Workshop, Training, Seminar, Lectures, volunteering service, service-learning, and other educational and learning experiences.

In consideration of the mutual promises set forth below, the CEC and JIF ("parties") agree as follows:

1. JIF RESPONSIBILITIES

- A. Provide an orientation that includes a site tour; an introduction to staff; a description of the characteristics of and risks associated with the JIF operations, services and/or clients; a discussion concerning safety policies and emergency Procedures; and information detailing where students check-in and how they log their time. Inform students of expectations for behavior on-site.
- B. Provide appropriate training, equipment, materials and work area for students prior to students performing assigned tasks or working with the JIF clients.
- C. Verify that the student has the appropriate documentation to participate at the site (i.e., background or health checks appropriate to the site) and maintain the confidentiality of any results as required by law.
- D. Participate in the evaluation of the student if requested by the CEC and contact the CEC if the student fails to perform assigned tasks or engages in misconduct.
- E. Notify the CEC as soon as is reasonably possible of any injury or illness to a Student participating in a learning activity at the JIF.
- F. The JIF may dismiss a student if the student violates its standards of conduct, mission or goals. The JIF will document its rationale for terminating a student and provide the CEC with a copy of the rationale upon request.
- G. For internships and co-ops, the JIF will identify the student's supervisor. The supervisor agrees to meet with the student regularly to facilitate the student's learning experience, provide support, review progress on assigned tasks, verify hours, and give feedback.

info@jayantinfracom

H. For internships and co-ops, the JIF will provide student with a written description of the student's tasks and job responsibilities in collaboration with faculty and supervisor.

2. CEC'S RESPONSIBILITIES

A. The CEC will advise the student(s) of their responsibility to:

- i. Participate in all training required by the JIF.
- ii. Exhibit professional, ethical and appropriate behavior when at the JIF.
- iii. Complete all assigned tasks and responsibilities in a timely and efficient manner.
- iv. Abide by the JIF rules and standards of conduct
- v. Abide by the Chouksey Engineering College Student Code of Conduct.
- vi. Maintain the confidentiality of the JIF proprietary information, records and information concerning its clients.

B. The CEC (including its officers, agents, or employees) nor the JIF assume any financial responsibility in the event a student is injured or becomes ill as a result of his/her participation in a learning activity at the JIF.

3. GENERAL PROVISIONS

A. This MOU will become effective beginning on the day after last party signed. This MOU will be reviewed in 05(Five) years of its effective date. This MOU may only be modified by the written agreement of the parties, duly signed by their authorized representative.

B. This MOU may be terminated by either party after giving the other party 30 days written notice of the intent to terminate. If the JIF terminates this MOU, it will permit any student working at the JIF at the time of termination the ability to complete his/her work.

C. This MOU does not document nor provide for the exchange of funds or manpower between the CEC and the JIFn or does it make a commitment of funds or esources.

D. The JIF and the CEC will meet upon request or as necessary to resolve any potential conflicts and to facilitate a mutually beneficial experience for all involved.

E. Nothing contained in this MOU confers on either party the right to use the other party's name without prior written permission or constitutes an endorsement of any commercial product or service by the CEC.

F. The CEC and the JIF agree to follow all applicable state and local laws and regulations, including but not limited to laws prohibiting discrimination and harassment.

G. Nothing in this MOU contemplates or requires that any party act in violation of law. Nonetheless, should any term or condition set forth in the MOU later be credibly alleged, suspected, or determined to be illegal, the parties agree to immediately cease the questioned activity and negotiate modification to the effected portion of the MOU for a thirty (30) day period. If at the end of this period, no compromise can be reached, the MOU will be terminated.

H. Persons signing this MOU do so as official representatives of the CEC AND JIF and assume no personal liability.

I. The JIF and CEC administrator may be asked each other to provide authorization of use of photographs or other media to promote the collaboration of the JIF and CEC.

J. Any internship or co-op, even though it includes actual operation at the facilities of the employer, is similar to training which would be given in an educational environment.

K. Any internship or co-op experience is for the benefit of the intern or co-op and does not displace regular employees. The JIF derives no immediate advantage from the activities of any unpaid intern or co-op; and on occasion its operations may actually be impeded.

L. Interns and co-ops are not necessarily entitled to a job at the conclusion of the co-op Internship.

M. Terms and conditions related to payment or other compensation for students are determined by the JIF and the Student.

N. Students are not entitled to workers' compensation benefits for any injury sustained during the internship, co-op, service, or learning activity. Workplace safety is the responsibility of the JIF. The JIF will take reasonable measures to provide a safe and secure workplace in accordance with rules and regulations.

R. The intellectual property rights of work performed by interns or co-ops will be Governed by any agreements signed between the intern (or co-op) and the JIF as well as relevant Govt. law.

7. Mutual assistance and support for the actions undertaken by both institutions to participate in teaching and research programs.
8. Exchange of internships / Guest Lectures, Social and cultural exchange of students.
9. Mutual assistance and support for National and international level conferences and workshops.
10. It's a Voluntary participation. This is honorary MoU to promote the good institute-industry interaction activity by both with no post of pro fit or loss.

§2

The co-operation in the areas specified in paragraph 1 of the agreement shall include in particular:

1. Academic exchange, including series of guest lectures, training, as well as research and education fellowships.
2. Organization of seminars, conferences, scientific workshops and training.
3. Joint research, Project Research, Internships, on job Training.
4. Joint scientific and educational publications.
5. Exchange of information concerning opportunities for co-operation.
6. Participation in bilateral and multilateral scientific and educational programs.

§3

The co-operation is based on the principles of equal treatment and mutual benefit of both CEC and ETD, with their involvement - respective to their capabilities.

§4

The co-operation is based on the principles of equal treatment and mutual benefit of both CEC and ETD. By this MOU both the parties will be able to use each other's Mono/Logo, wherever needed for their promotional. And if both want to use any specified Mono/Logo as authorized by any other 3rd party a separate written authorization will be needed to each other.

§5

No financial condition is liable in this MOU. Both the institutions have no involvement of any kind of financial terms and conditions for this MOU.

The financial conditions of the co-operation shall be agreed separately every time for any specific form of co-operation, taking into consideration the financial capabilities of both CEC and ETD.

MEMORANDUM OF UNDERSTANDING [MOU]

❖ Parties

This Memorandum of Understanding (MOU) is entered into on **11.11.2022** between:

1. Chouksey Engineering College, Lal Khadan, Masturi Road, NH-49, Bilaspur 495004 (CG), represented by the Principal— **Prof. Dr. K.C Mahajan.**
2. HINDUJA GLOBAL SOLUTIONS LTD.HGSL House, No. 614, Vajpayee Nagar, Bommanahalli, Hosur Road,Bangalore – 560068 ,Karnataka, India, Tel: +91-80-25732620 / 50 ,Fax: +91-80-25731592, Email: hr@teamhgs.com, Website: hgs.cx by Manager- Human Resource- **Mr. Roshlin.**

❖ Objective

The objective of this agreement is to establish a mutually beneficial relationship between Chouksey Engineering College (hereafter referred to as CEC) and Hinduja Global Solutions Ltd [hereafter referred to as HGS] in the areas of academic, development and training of students under the Industry Institute Interaction Cell (IIC).Areas of Cooperation.

The scope of cooperation between the parties shall include, but not be limited to, the following:

1. Cooperation in the improvement of academic teachers, development of contacts between research staff, including teacher mobility and industry delegates.
2. Cooperation in updating students with industry demands.
3. Exchange of experience and information concerning the structure and content of curricula and organization of teaching processes.
4. Joint organization and carrying out of research, and exchange of research results.
5. Exchange of data, materials, books, periodicals, and scientific literature.
6. Exchange of experience in administration and management.
7. Mutual assistance and support for the actions undertaken by both institutions to participate in teaching and research programs.
8. Exchange of internships, guest lectures, and social and cultural exchange of students.
9. Mutual assistance and support for national and international level conferences and workshops.

❖ Principles of Cooperation

1. The cooperation is based on the principles of equal treatment and mutual benefit of both CEC and HGS, with their involvement respective to their capabilities.
2. Both parties will be able to use each other's logo/branding where needed for promotional purposes. Any use of a third-party logo/branding will require separate written authorization.
3. There are no financial conditions or liabilities involved in this MOU. Any specific financial terms and conditions for cooperation will be agreed upon separately, taking into consideration the financial capabilities of both CEC and HGS.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter referred to as "MOU") is entered into on 08.11.2022 by and between:

Chouksey Engineering College, located at Lal Khadan, Masturi Road, NH-49, Bilaspur 495004 (CG), India (hereinafter referred to as "CEC"), represented by Prof. Dr. K.C. Mahajan, Principal,

And

King Kalis Developers, 27 Kholi, Vikas Nagar, Bilaspur (C.G.), Mob.: 9981826868, 9424172797 karanbains2002@yahoo.co.in (hereinafter referred to as "KKD"), represented by Mr. Karan Singh.

WHEREAS:

- A. CEC is an educational institution offering various engineering courses;
- B. KKD is a leading Civil Construction Company;
- C. Both parties desire to establish a mutually beneficial relationship to enhance academic, development, and training opportunities for students under the Industry Institute Interaction Cell.

NOW, THEREFORE, the parties agree as follows:

1. OBJECTIVE

The objective of this MOU is to establish and maintain a collaborative relationship between CEC and KKD in areas of mutual interest, particularly focusing on industry-institution interaction.

2. SCOPE OF COOPERATION

The scope of cooperation between the parties shall include, but not be limited to:

- 2.1 Academic collaboration and faculty development.
- 2.2 Student skill enhancement and industry exposure.
- 2.3 Curriculum development and teaching methodologies.

MEMORANDUM OF UNDERSTANDING (MoU)
BETWEEN
CENTRAL INSTITUTE OF PLASTICS ENGINEERING &
TECHNOLOGY, RAIPUR

And

Chouksey Engineering College, Bilaspur

This MoU is entered into on the 25th day of October, 2022 between Central Institute of Plastics Engineering & Technology, (hereinafter called CIPET) situated at BHANPURI Industrial Area, Raipur (CHHATTISGARH)

and

Chouksey Engineering Collge ,(hereinafter called CEC) situated at Bilaspur, (CHHATTISGARH) .

1. Objective of the MoU

- a. To provide training on various CAD/CAM/CAE softwares to the students of Engineering by CIPET Raipur and Auto CAD at CEC, Bilaspur.
- b. Since, these courses are not the part of regular syllabus of Chouksey Engineering College; hence the classes will be conducted by CIPET as per time slot provided by the college.
- c. Industrial oriented lectures and seminars for improving the skills of the students will be organized by both the Institutes.
- d. Industrial Technical projects for developing the new design and product development for meeting the industrial demands as well as the requirement of Engineering students.
- e. Providing Special Internship programs will be conducted CIPET Raipur , for guiding the trainees for their industrial jobs .

2. Technical Areas of Collaboration

- Provide academic interaction by delivering special lectures as per requirement of both institutions.

3. Training Programs -

- a. The following CAD Software programmes along with fee for the prospectus will be offered by CIPET, Raipur for the students of CEC, Bilaspur.

COURSE AND FEE

Sl. No	NAME OF THE COURSES	Course Duration (Hrs)	FEES (Rs.)*
1	Auto CAD	50	4000 /-
2	CAD using Creo-2.0 (Formerly Pro-E)	100	8000 /-
3	CAD using CATIA	100	8000 /-
4	CAD using Unigraphics NX-8.0	100	8000 /-
5	CAE using Ansys	75	8000 /-
6	CAM Express with Solid Edge	100	10000 /-
7	Pro-E 'or' CATIA 'or' Unigraphics with AutoCAD and interaction of CNC	200	12000/-
8	CAM Using Feature CAM	40	5000/-
9	Programming and Operation on CNC Lathe	40	5000/-
10	Programming and Operation on CNC Milling	40	5000/-
11	Programming and Operation on CNC EDM	40	5000/-
12	Programming and Operation on CNC Wire cut EDM	40	5000/-
13	Conventional Operation Techniques (Lathe, Milling, Surface grinder, Cylindrical Grinder) and Inspection & Quality control with project	40	5000/-

*Taxes extra as applicable

- c. The training programme will be conducted for minimum 25 trainees in one batch.
- d. CEC, Bilaspur shall provide the lab facilities i.e. computers and related software's, etc for imparting training at their end.
- e. For programme on CNC Machines, The program will be conducted at CIPET Raipur.
- f. "CIPET" will utilize its faculties for imparting training on AutoCAD at CEC, Bilaspur Premises..
- g. The programme which is organized at CEC campus, the fee will be shared by 50 - 50 % .by both institutions
- h. CEC, Bilaspur will pay the full amount to CIPET, Raipur prior to course commencement in the form of DD/Cheque in favors of CIPET Raipur or payment by RTGS.

3. Duration of MOU

This MoU shall be initially valid for a period of 5 (Five) year commencing from the date of the MoU, unless terminated in writing by any of the parties by serving 30 day's notice thereof. The term may be extended for further period by mutual consent in writing by the parties.

4. Coordinators

Both the institutes will designate persons who will have responsibility for coordination and implementation of the MoU.

For any disputes arising out of this MoU between the two parties, the issue shall be resolved amicably by mutual discussion and CIPET, Raipur shall be final authority.

Agreement

Between

CHOUKSEY ENGINEERING COLLEGE

And

NASSCOM / IT-ITES SECTOR SKILLS COUNCIL NASSCOM

For

**Assessments and Certification on Qualification Packs (QP) and National
Occupational Standards (NOS) under
3rd Party Project**

This Agreement has been made and agreed upon between the Parties mentioned below, signed on the 18th day of the month of July, year 2022.

BETWEEN

National Association of Software and Service Companies (NASSCOM) having its head office at the NASSCOM Plots 7-10, Sector 126, Noida, UP – 210303, India (hereinafter called "NASSCOM"), represented by its Vice President / Executive Director IT-ITeS Sector Skills Council NASSCOM, which expression shall, where the context so admits, be deemed to include its successors, executors and administrators of the ONE PART

AND

Chouksey Engineering College having its head office at Bilaspur, Chhattisgarh represented by the Head of Department – CSE Dept (hereinafter referred to as "Second Party") which expression shall unless repugnant to the context or meaning thereof, include its successor in office, legal representatives and permitted assigns of the SECOND PART

Background and Purpose

Chouksey Engineering College has been established in the state of Chhattisgarh to carry forward the skill development initiatives in a co-ordinated manner.

PRINCIPAL
CHOUKSEY ENGINEERING COLLEGE
LAL KHADAN, BILASPUR (C.G.)

1

Whereas IT-ITeS Sector Skills Council NASSCOM (SSC NASSCOM) the skill standard setting body of the IT-BPM Industry which is an integral part of NASSCOM is the education & skill development initiative of NASSCOM; works with its industry members and select academic and skill development institutions to help improve the quality and quantity of the employable workforce available to this industry.

NASSCOM/SSC NASSCOM and Chouksey Engineering College and will hence forth be referred to independently as the 'First Party' and 'Second Party' respectively and collectively as the 'Parties'.

THIS AGREEMENT WITNESSED AND THE PARTIES HERETO AGREE TO AS FOLLOWS:

A. Objective

This Agreement is for collaboration on the conduct of Assessments and Certification on Qualification Packs (QP) and National Occupational Standards (NOS) for Chouksey Engineering College/Second Party sponsored candidates.

1. The **Objective** of this agreement is to showcase the employability skills of the candidates of the Second Party by their adoption of the National Occupational Standards (NOS), Assessments and Certifications developed by NSDC through its Sector Skill Councils. Under this Agreement, First Party will ensure timely completion of assessment & its certification, of candidates of the Second Party.
2. Currently 2 QP / NOS in which candidates of the Second Party need to be assessed and to be conducted by the Assessment Bodies of the First Party, has been enclosed as **Annexure**
 1. Going forward more QPs will be added in consultation with the First Party.

B. Role and Responsibilities of Second Party

The Second Party is the implementing organization and will be responsible for activities such as:

1. **Assessment & Certification of Second Party Candidates:** The Second Party will permit the First Party to conduct assessments and certify its candidate batches as per the respective QP / NOS under the First Party, through Assessment Agencies empanelled by the First Party.

PRINCIPAL
CHOUKSEY ENGINEERING COLLEGE
LAL KHADAN, BILASPUR (C.G.)

2. **Nodal Officers/ Coordinators:** The Second Party will designate and recommend a Nodal Officer/ Coordinators at Headquarters Level who will be responsible for overseeing/coordinating the program from Second Party

3. **Payment Schedule to Sector Skill Councils:** The Second Party shall make 100% advance payment of assessment cost to NASSCOM/SSC NASSCOM i.e. the First Party for all the batches for which the First Party shall have given acceptance against requisition and the First Party shall give an acknowledgement of advance payment.

a. Assessment cost shall be paid on the basis of registered/scheduled number of candidates (this covers those passed, failed and also covers absentees on the day of the assessment as well) subject to a minimum batch-size, which is 30 candidates per batch. The cost for an assessment and the subsequent certification will be as per the norms of NSDC & NASSCOM/SSC NASSCOM/First Party and currently is at INR. 1000/- + all applicable Taxes (Taxes are over and above the assessment cost).

b. If a batch is not assessed due to Force Majeure or if informed by the Second Party at least 10 working days in advance to the date of the scheduled assessment or due to any other reason agreed upon by both the Parties, then the assessment will be carried out for the whole batch at a mutually convenient date. This communication between the Parties, until the integration between the Second Party Portal and SDMS is complete would be sent via E-Mail.

4. **MIS:** Generate MIS. The Second Party will appoint a dedicated operator for the same who will be responsible to coordinate the technical operations with the First Party.

C. Role & Responsibility of the First Party

1. **Single Point of Contact (SPoC):** The First Party will designate and recommend a SPoC who will be responsible for the overall assessment related activities from the First Party.

2. **Candidate Assessment and Certification:** The First Party will organize the timely assessment and certification of Second Party candidates through 'Assessment Agencies', certified and approved by the First Party. The First Party will issue a certificate to the successful candidate along with the Second Party only via NSDC's SDMS (Skill Development Management System).

PRINCIPAL
CHOUKSEY ENGINEERING COLLEGE
LAL KHADAN, BILASPUR (C.G.)

D. The following process followed for Assessments and Certification will be the responsibility of the Second Party:

1. Second Party uploads its batch information on NSDC's SDMS Portal listing all details including the batch end date as required by NSDC's SDMS.
2. The Second Party allocates the QP candidate batches to the First Party to get the assessments conducted through the First Party Assessment Provider. Until the integration between the Second Party Portal and SDMS is complete, all this information would be communicated via E-Mail
3. The Second Party will transfer the requisite assessment fees via Payment Gate of the First Party, as mentioned in Clause B, Sub clause (3) of this Agreement.

E. The following process for Assessments and Certification will be the responsibility of the First Party:

1. The First Party will get updates of new batch/s already registered on SDMS, to be assessed. The First Party will be responsible for allocating an Assessment Agency which is empanelled with it for Assessment. Certification, will be carried out via NSDC's SDMS only as per NSDC's norms. The First party via its Assessment Provider will be responsible for the fair and proper conduct of the QP assessment. Any issue/s that arise regarding this will be amicably discussed between the First Party and the Second Party and resolved thereof.
2. First Party to ensure that only registered batches on SDMS or on the Second Party portal will be assessed. Communication / request for the assessment date must be made at least 3 weeks before the batch training end date, at the identified Centre of the Second Party. However in case of malpractice or non-compliance of attendance by candidates enrolled at the test centre for an assessment, the full assessment amount has to be paid and any re-assessment will attract a new fee.
3. The First Party shall provide a statement of payments received along with the requisite invoice for the same.
4. The First Party designated Assessment Provider's proctor/invigilator /assessor will check the credentials of the candidates as per the established First Party norms and conditions; details of infrastructure and logistics required are included as Annexure-II to this Agreement. The following document will be checked to authenticate candidate identity at the Test Center; ID proof- as mentioned in Annexure -II will also be provided by Second Party's Training Partner

PRINCIPAL
CHOUKSEY ENGINEERING COLLEGE
LAL KHADAN, BILASPUR (C.G.)

5. The Second Party will make all arrangements at the centre such as raw material, lab facilities, infrastructure setup for the proctor to conduct the online assessment. Information about such arrangements will be provided to the Second Party by The First Party Assessment Provider; details of infrastructure and logistics required are included as Annexure -II to this Agreement.
6. Assessments for the complete batch will be done as per the norms of the First Party in terms of number of minimum and maximum number of candidates. Candidates will be assessed on the assessment criteria and Question Banks set by the First Party as per the respective QP concerned. These QP based assessments are only responsible to identify the competency of the individual with reference to the QP/job role concerned.
7. The results of the batches will be declared by the First Party on the Second Party portal or in soft copy in an Excel sheet (if the Second Party SDMS is not ready or linked with the NSDC SDMS), within 10 days of assessment by the Assessment Provider.
8. Secured certificates, will be generated through Pitney Bowes for successful candidates and the First Party will aim to forward the same in 10 days of declaration of the result and shared with the Second Party.

F. Other covenants

1. The use of the name, logo and/or the official emblem of the Parties concerned on any publication, document and/or paper concerning the mission/project under this Agreement is permissible, only post approval in writing, as explicit permission from the Party concerned.
2. Any difference or dispute between the Parties concerning the interpretation and/or implementation and/or application of any of the provisions of this Agreement shall be settled amicably through mutual consultation or negotiation/s between the Parties, without reference to any third Party. Any other aspects not covered in this MoU, relevant to this program, and disputes etc arising about any aspect of the MoU shall be settled through mutual consultation and agreement, by the Parties to this MoU. In case a settlement is not arrived at, all disputes or differences arising between the parties in relation to the interpretation, meaning or effect of this agreement, or to any breach thereof and remain unresolved after the intervention of the representatives of the parties, shall be referred to arbitration under the aegis of the Indian Council of Arbitration at New Delhi (ICA). The Rules of the ICA shall govern the arbitral proceedings between the parties. The arbitration proceedings shall be conducted in English and the venue for the arbitration proceedings shall be New Delhi.
3. This Agreement will come into effect on that date, when signed by both the Parties concerned. This Agreement shall remain valid for a period of 05 year only from the date of its signing, and can be extended on mutually acceptable terms and conditions.

4. This Agreement may be changed at any time by mutual agreement of the Parties concerned in writing. It shall be reviewed three months before the expiry of the 'Agreement' or at a time mutually agreed upon by the Parties for a possible renewal.
5. Any other matter not included in this Agreement which is necessary for the smooth functioning of the mission/project/ scheme shall be finalized between the Second Party and the First Party on mutually agreeable terms and conditions.
6. The Agreement or any part thereof may be amended at any time during its tenure only by the consent, in writing, of the Parties concerned.

G. Termination

1. Either party to this Agreement may terminate this Agreement with 30 days prior written notice to the other party. On termination of this Agreement both parties shall discontinue using the marks and rights arising or accruing from the terms of this Agreement.
2. The termination of this Agreement shall be without prejudice to the accrued rights and obligations of the Parties and all such accrued rights and obligations shall remain in full force and effect and be enforceable notwithstanding such expiry or termination.

Both the Parties have set their hand in the presence of the witness on the 18th day of July, year 2022, as mentioned above.

1. OBJECTIVE To establish a mutually beneficial relationship focused on academic development and student training through industry-institute interaction between Chouksey Engineering College (hereinafter "CEC") and EVD Technology LLP (hereinafter "EVD"). This collaboration aims to maintain permanent contacts between industry, academic staff, and students, undertaking joint actions, promoting and exchanging achievements, and cooperating in teaching, science, research, certification, internships, guest lectures, seminars, and higher education.

2. SCOPE OF COOPERATION

- 2.1 Improvement of academic staff and development of research contacts
- 2.2 Updating students with industry demands
- 2.3 Exchange of experience in curriculum structure and teaching processes
- 2.4 Joint research projects and result sharing
- 2.5 Exchange of data, materials, books, and scientific literature
- 2.6 Sharing of administrative and management experiences
- 2.7 Mutual support for teaching and research programs
- 2.8 Exchange of internships, guest lectures, and cultural programs
- 2.9 Collaboration on national and international conferences and workshops
- 2.10 Voluntary participation with no profit or loss implications

3. IMPLEMENTATION

- 3.1 Academic exchanges, including guest lectures and fellowships
- 3.2 Organization of seminars, conferences, and workshops
- 3.3 Joint research projects, internships, and on-job training
- 3.4 Collaborative scientific and educational publications
- 3.5 Information sharing on cooperation opportunities
- 3.6 Participation in bilateral and multilateral educational programs

Email: jadhav.prem@valuelabs.com, Represented by: HR- Mr. Prem Jadav

OBJECTIVE OF THE AGREEMENT: This Memorandum of Understanding (MOU) aims to establish a mutually beneficial relationship focused on academic development and training of students under the Industry Institute Interaction Cell.

ARTICLE 1 The scope of cooperation between Chouksey Engineering College (hereafter referred to as CEC) and ValueLabs LLP (hereafter referred to as VL) includes:

1. Enhancing academic staff capabilities and fostering relationships between research personnel, including faculty mobility and industry involvement.
2. Aligning students with industry requirements.
3. Sharing experiences and insights on curriculum structure, teaching methodologies, and research.
4. Collaborating on research initiatives and sharing research outcomes.
5. Exchanging data, materials, publications, and scientific literature.
6. Sharing administrative and management practices.
7. Supporting each other in educational and research programs.
8. Facilitating exchange programs, guest lectures, and cultural exchanges for students.
9. Collaborating on national and international conferences and workshops.
10. This agreement is voluntary and non-profitable, aimed solely at enhancing institute-industry interactions.

ARTICLE 2 Specific areas of cooperation include:

1. Academic exchanges, guest lectures, and training sessions.
2. Organizing seminars, conferences, scientific workshops, and training programs.
3. Joint research projects, internships, and on-the-job training.
4. Co-authoring scientific and educational publications.
5. Sharing information on collaborative opportunities.
6. Participating in bilateral and multilateral scientific and educational initiatives.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MoU) is executed on the date last signed to be effective from **20.10.2021** between:

CHOUKSEY ENGINEERING COLLEGE

Lal Khadan, Masturi Road, NH-49, Bilaspur 495004 (CG), India,
(hereinafter referred to as "CEC"), represented by Dr.(Prof.) Kailash Chandra Mahajan

And

BENCHMARK

Benchmark.Address:404-406, Raj Chamber, B/S Mowa Road, Raipur (C.G)
Phone:8103130039,Email:info@BM.company,www. Benchmark.company (hereinafter referred to as "BM"), represented by Mr. Praveen Singh Thakur.

(CEC, Bilaspur, benchmark Group are individually referred to as party and collectively as parties).

WHEREAS:

(a) CEC, Bilaspur was established under the aegis of the H. K. Kalchuri Educational Trust, Bhopal, known as LNCT GROUP, started with the aim of providing educational opportunities to the deserving and under-privileged section of the society. It was established in the year 2001 with the moto of 'Working towards being the Best'. It has achieved commendable progress in attracting and retaining highly qualified and experienced faculty, developing high profile academic infrastructure including various well established laboratories, a team of well trained teachers who have created conductive atmosphere for learning and research.

(b) **Benchmark** is Founded in 2013, as a full-service marketing agency in Raipur, we have helped over 1400 brands achieve their desired results through a variety of marketing channels. We pride ourselves on being a one-stop full-service agency for all the marketing needs of brands. We take pride in our creative storytellers AKA marketing professionals who are well-armed to create custom strategies tailored to each client's unique goals, delivering measurable results that drive growth and revenue. At BM, we believe that success is not just about getting more traffic to your website or increasing your social media following; it's about creating meaningful connections with your target audience and building a brand that resonates with them. That's why we approach every project with a focus on building long-term relationships and delivering exceptional value to their clients.

PRINCIPAL

- (c) The Memorandum of understanding (MOU) is a statement of joint interest of both parties with the objective of fostering collaboration between the two institutions to promote academic collaboration and engagement. CEC and BM wish to enter into a MOU wherein the Parties can explore possibilities of engagement & collaboration through the various engineering, technology & research capabilities offered by CEC leading to drive integrated problem solving.
- (d) The Parties intend to cooperate and focus their efforts on cooperation within the areas of skill based education, training, internship, placement, industrial visit, expert lecture, collaborative research projects etc.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MoU, THE PARTIES HERETO AGREE AS FOLLOWS

1. OBJECTIVES OF THE MOU

The objective of this Memorandum of Understanding, interalia is:

- (a) to promote interaction between CEC, BM in mutually beneficial areas.
- (b) Value added engagement from both parties to enhance the knowledge base of employees of the Company and sharing industry best practices to students & faculties of various disciplines of COEP Tech.
- (c) to provide a formal basis for initiating interaction between CEC and BM.

2. PROPOSED MODES OF POTENTIAL COLLABORATION

CEC and Company may collaborate through one or more of the following projects or any such other projects as may be mutually agreed in between the Parties:

- (a) Summer internship to Undergraduate/Postgraduate Students of CEC.
- (b) Arranging Industrial visits of UG/PG students to its manufacturing location in Pune.
- (c) Explore opportunities for joint research programmes undertaken by faculty of CEC and personnel on topics identified by BM of India.
- (d) Visits of faculty to BM for study and discussions or delivering guest lectures on subjects of mutual interest.
- (e) Visits of BM employees to the Institute for seeing research work and laboratories, discussions and delivering lectures on industrial practices and trends, sabbatical, and co-teaching.
- (f) Workshops, conferences, and symposia with joint participation of the faculty of CEC and BM
- (g) Short-term assignment, live projects to faculty members and students in BM
- (h) Training / education of BM personnel through education programmes conducted by CEC in areas of interest to BM of India Limited
- (i) Any other appropriate mode of interaction agreed upon between CEC and BM

PRINCIPAL
CHOUKSEY ENGINEERING COLLEGE
LAL KHADAN, BILASPUR (C.G.)

Future potential opportunities such as following can be mutually explored

- (a) Sponsoring including funding student projects for UG/PG.
- (b) Sponsoring including funding fellowships for M.Tech/PhD Program.
- (c) Sponsorships of R&D Laboratories at the Institute.
- (d) Training / Education including practical exposure of CEC faculty, through Faculty Education Programs conducted by BM in areas of interest to CEC, BM

3. CONFIDENTIALITY

- (a) The term “Confidential information” shall mean any information disclosed by one party (“Discloser”) to the other (“Receiver”), pursuant to this MoU or otherwise, which is in written, graphic, machine readable or other tangible form and is marked as “Confidential” or ‘Proprietary’ or in some other manner to indicate its confidential nature. Confidential information may also include oral information disclosed by one party to the other, pursuant to this MoU, provided that such information is designated as Confidential at the time of disclosure and reduce to a written summary by the disclosing party, within 30 days after its oral disclosure, which is marked in a manner to indicate its confidential nature and delivered to the receiving party.
- (b) For the term of this MoU, each party, shall treat as confidential all confidential information of the other party, shall not use such confidential information except as expressly set forth herein or otherwise authorized in writing, shall implement reasonable procedures to prohibit the disclosure, unauthorized duplication, misuse or removal of the other parties confidential information and shall not disclose such confidential information to any third party except as may be necessary and required in connection with the rights and obligations of such party under this MOU. Without limiting the foregoing, each of the parties shall use at least the same procedures and degree of care which it uses to prevent the disclosure of its own confidential information of like importance to prevent the disclosure of confidential information disclosed to it by other party under this MoU.
- (c) **Confidential information shall not include the information which.**
 - i. was generally known and available at the time it was disclosed or became generally known and available through no fault of the receiver, was known to the recipient of such information, without restriction, at the time of disclosure as shown by the files of the recipient in existence at the time of disclosure.
 - ii. is disclosed with the prior written approval of the disclosure.
 - iii. was independently developed by the receiver without any use of the confidential information, and by employees and other agents of the receiver who have not been exposed to the confidential information, provided that the receiver can demonstrate such independent development by documented evidence prepared contemporaneously with such independent development.

PRINCIPAL
CHOUKSEY ENGINEERING COLLEGE
LAL KHADAN, BILASPUR (C.G.)

- iv. becomes known to the receiver, without restriction, from a source other than the disclosure without breach of this M.O.U. by the receiver and otherwise, not in violation of the discloser's rights.
- v. In addition, each party shall be entitled to disclose the other party's confidential information to the extent such disclosure is requested by the order or requirement of a Court, administrative agency, or other governmental body, provided that the party required to make the disclosure shall provide prompt and advance notice thereof, to enable the other party to seek a protective order or otherwise prevent such disclosure.
- vi. The parties shall, upon expiration of this MOU, promptly deliver to each other all material in its or in its employees' possession or control containing such confidential information.
- vii. The provisions of this Clause shall survive the expiration or termination of this MOU for a period of three-year subsequent academic years. However confidential information in the nature of intellectual property rights, trade secrets and/or such confidential information which needs to be protected/kept confidential owing to applicable law(s) shall be kept confidential in perpetuity by the receiving party.

4. Intellectual property

- (a) BM shall retain all rights, title, and interest in and to any research project IP generated by using BM Confidential Information. employees ("BMIP"). CEC shall retain all rights, title, and interest in and to any Research Project IP generated solely by CEC faculty or students ("University Project IP") without the use of any BM Confidential Information. Nothing in this MOU grants any authority for any Party to use the name, trademarks, service marks or trade names of the other for any purpose whatsoever, without the prior consent of the other Party.
- (b) CEC hereby assigns to BM all intellectual property rights, whether patentable or not, created in whole or in part, by its faculty, employees, agents, students or in collaboration with BM as part of this MOU.
- (c) At the expense and upon request of BM, CEC and its faculty shall execute all documents evidencing assignment of all patent, trademark, and/or copyright applications and registrations to BM, its successors, assignees, or nominees, and shall fully cooperate with BM and its attorneys as reasonably required in connection with the preparation of any such applications and registrations and will execute all papers necessary to protect BM's rights therein.

5. NON-EXCLUSIVITY

The relationship of the parties under this MOU shall be nonexclusive and both parties, including their affiliates, subsidiaries, and divisions, are free to pursue other agreements or collaborations of any kind. However, during the Term and for 1 year after expiration or termination of this

PRINCIPAL
CHOUKSEY ENGINEERING COLLEGE
LAL KHADAN, BILASPUR (C.G.)

MOU, the student or faculties of CEC involved in the projects, research etc. with BM, shall not be involved in any similar projects, research etc. with or for a competitor of BM.

6. Amendment To MoU

No amendment to this MoU shall be valid unless the same is made in writing jointly by the parties hereto or their authorized representatives and specifically stating the same to be an amendment to this MoU.

7. TERM AND TERMINATION

- (a) This MoU shall be valid for a period of 3 years and can be terminated by either parties with a prior written notice of 3 months served on the other Party.
- (b) Despite termination, the parties shall abide by the usual professional ethics and normal code of conduct to maintain the confidentiality of the information and intellectual property rights.
- (c) In the event of expiry or termination of this MoU (irrespective of the reason for such termination), the following shall apply: CEC shall submit to BM all the supporting documents, working papers, research information gathered pursuant to any collaboration under this MOU.

8. RELATIONSHIP

Nothing contained in this Agreement shall be deemed or construed as creating a joint venture or partnership between the Parties. Except as expressly set forth in this Agreement, no Party is by virtue of this Agreement authorized as an agent, a partner, employee or legal representative of the other Party, and the relationship of the parties is, and at all times will continue to be, that of independent parties.

9. ASSIGNMENT

It is understood by the Parties herein this MoU is based on the professional competence and expertise of each party and hence neither Party shall not transfer or assign this Agreement, or rights or obligations arising hereunder, either wholly or in part, to any third party.

PRINCIPAL
CHOUKSEY ENGINEERING COLLEGE
LAL KHADAN, BILASPUR (C.G.)

10. FORCE MAJEURE

If either Party is prevented from or delayed in carrying out any of its obligations under this MOU by reason of force majeure, the Party whose performance is so prevented or delayed, upon prompt written notice thereof to the other Party, shall be excused from such performance to the extent and during the period of such prevention or delay.

Force Majeure shall mean any cause which is beyond the control of the Party invoking force majeure, including, but limited to, and whether or not of the same class or kind like: any government authority, riot, war, hostilities, public disturbance, an act of the public enemy, strike, Government orders, pandemic, epidemic, lock-out or other labor disputes, fire, flood, earthquake, storm, explosion, or acts of God.

11. GOVERNING LAW & DISPUTE RESOLUTION:

This MOU and any collaboration under it will be governed by laws of India. The Parties will attempt amicably to resolve any controversy, dispute or difference arising out of this MOU. However, if no such resolution is reached, the Parties consent to submit to arbitration under the Arbitration & Conciliation Act, 1996. The arbitration proceedings will be presided by a sole arbitrator appointed mutually by the Parties and the venue of arbitration shall be Bilaspur. The proceedings shall be held in the English language. The award shall be binding on the parties, subject to the applicable laws in force and the award shall be enforceable in any competent court of law.

12. COSTS OF THE MOU

Each Party shall bear the respective costs of carrying out the obligations under this MoU.

13. SIGNED IN DUPLICATE

This MoU is executed in duplicate with each copy being an official version of the Agreement and having equal legal validity.

PRINCIPAL
CHOUKSEY ENGINEERING COLLEGE

Memorandum of Understanding

This Memorandum of Understanding (hereinafter referred to as "MoU") is made and entered into on [15.11.2019] by and between:

Chouksey Engineering College

Lal Khadan, Masturi Road, NH-49, Bilaspur 495004 (CG), India, (hereinafter referred to as "CEC"), represented by *Prof. Dr. K.C. Mahajan, Principal*.

And

HRH Next Services Pvt Ltd

A company incorporated under the Companies Act, 2013, with CIN No U72200TG2007PTC052582 and Registration number is 52582, having its Corporate Office at 186/2, Tapaswiji Arcade, Hosur Road, near silk board, BTM 1 st stage, Bengaluru - 560068, India, www.hrhnext.com, info@hrhnext.com, (hereinafter referred to as "HRH"), represented by *HR- PriyaMadhuri*.

WHEREAS:

- A. CEC is a distinguished educational institution offering a variety of engineering courses and programs.
- B. HRH is a leading company specializing in leading Business Process Outsourcing Service Providers.
- C. Both parties recognize the potential benefits of establishing a collaborative relationship to enhance academic, developmental, and training opportunities for students under the Industry Institute Interaction Cell.

NOW, THEREFORE, the parties agree as follows:

OBJECTIVE

The primary objective of this MoU is to establish a mutually beneficial partnership between CEC and HRH, focusing on academic development, student training, and industry-institute interaction in areas of mutual interest.

SCOPE OF COOPERATION

The scope of cooperation under this MoU includes, but is not limited to:

1. Academic collaboration and faculty development.
2. Student skill enhancement and industry exposure.
3. Curriculum development and alignment with industry needs.
4. Joint research projects and knowledge exchange.
5. Internships, guest lectures, and seminars.
6. Organizing conferences, workshops, and training programs.

7. Exchange of academic resources and information.
8. Sharing of administrative and management best practices.

IMPLEMENTATION

1. The parties shall cooperate based on principles of equality, reciprocity, and mutual benefit.
2. Specific activities under this MoU may be detailed in separate agreements, outlining the scope, financial arrangements, and other relevant terms.
3. Both parties may use each other's logos for promotional purposes related to this collaboration, subject to prior written approval.

FINANCIAL ARRANGEMENTS

This MoU does not entail any financial obligations between the parties. Any financial arrangements for specific activities shall be agreed upon separately in writing.

INTELLECTUAL PROPERTY

Any intellectual property resulting from joint activities under this MoU shall be addressed in separate agreements on a case-by-case basis.

DURATION AND TERMINATION

1. This MoU shall remain in effect for a period of five (5) years from the date of signing.
2. Either party may terminate this MoU by providing one (2) month's written notice to the other party.

MISCELLANEOUS

1. Any amendments to this MoU shall be made in writing and signed by both parties.
2. Any disputes arising from this MoU shall be resolved through mutual consultation and mediation.
3. Both parties agree to maintain professional standards and refrain from activities that may harm the reputation of the other party.

SIGNATURES

IN WITNESS WHEREOF, the parties hereto have executed this Memorandum of Understanding as of the date first above written.
